RE: Sunday Morning Service Resubmit

Gentlemen:

The Ocala First United Methodist Church records its Sunday Morning service and then rebroadcasts it to a small local area. The primary purpose of the broadcast is for the benefit of the shut-in or ill members of our congregation. A handful of faithful volunteers do the camera work, tape and post production of the video. We have no paid staff members assisting in the work due to lack of available funds. Our only expense is the monthly fee charged by the TV station to broadcast our program.

With the current economic conditions our church has already had to cut back on many of its ministries. On January 1, 2010 we cut our program down from one hour to thirty minutes in order to reduce our costs to the point we could keep the program on the air. If we are not granted a waiver from closed captioning we would have to hire an outside firm to do the work for us. The best price we have been able to locate is \$7,150 per year (See Attachment #1). In addition to this out of pocket costs, additional time would be required from our volunteers. Time they do not have. Our church policy does not allow for the use of corporate sponsorship of the program. We did request help with the cost from the local TV station and were rejected (See Attachment #2). The attached income statements (Attachments #3, #4 and #5) demonstrate a cumulative loss from January 1, 2010 to July 31, 2011 of (-\$121,478.57). Without this waiver our church cannot afford to continue providing this service to our elderly congregation.

We therefore request that you grant Ocala First United Methodist Church an exemption from Closed Captioning for its "Sunday Morning Service" program. A notarized affidavit attesting to the accurateness and truthfulness of this petition is attached. (Attachment #6)

Hello Tim

Thanks for getting back to me so quickly. I checked into Fox 51, and due to their current captioning contract, I am only able to provide you with post production as an option. However, we do provide multiple options for payment if you were to utilize our services, including debit/credit card payments.

With 3 day turnaround, roll-up mode (what you usually see for closed captioning) for a 30 minute program would be \$137.50. That is the final cost, no hidden fees. Also, since the process is digital, you won't be dependant on getting the project in the mail. Also, we will do a test with you to ensure compatibility between our softwares. That process involves an upload of your content, about a minute of it, and we would provide you with a captioning file to insert.

If anyone else at the church has questions, please feel free to share my contact information with them. Have a great Thanksgiving!

Sincerely,

Dear Tim,

In regards to your request for financial assistance, our station does not subsidize program production costs incurred by parties who purchase air time. Consequently we must respectfully decline your request.
